

DIOCESE OF
LICHFIELD

10 visual resources to feed our faith

Do you find a lot of church resources too wordy? Do you prefer more visual literacy? Want to consider language needs? Here are 10 resources to deepen discipleship for text-shy cultures.

BibleProject

“Our mission is to help people experience the Bible as a unified story that leads to Jesus.”

BibleProject is a non-profit animation studio that produces short-form, fully animated videos to make the biblical story accessible to everyone. 100% free, contemporary feel.

US origin, providing a broad, theological overview.

Lumo Project

“Scripture for the visual Age”

<https://youtube.com/@thelumoproject>

<https://lumoproject.com/>

Lumo Project Films are a visualization of Scripture produced to engage people in a new way. These multi-language biblical resources provide promote global biblical literacy and can be edited and packaged for diverse ministry outcomes. Free to use. There is a series of 4 print Gospels with stills and QR code links. £23.99 each

Infographic Bible

The Bible presented in a completely unique way.

Powerful infographics which can reveal new beauty, meaning and connections in the key biblical themes and narratives, bringing the word of God to life on the page.

Offering a memorable interpretation of the scriptures using visual data the book retails at £25.00
